ARTICLE II
GRIEVANCE PROCEDURE

A. Definitions

1. Grievance

A grievance is a claim by an employee, a group of employees or the Union that there has been a violation, misinterpretation or misapplication of any provisions of this agreement.

2. Aggrieved Person

An "aggrieved person" is the person or persons or the Union making the complaint.

3. Party in Interest

A "party in interest" is the person or persons making the complaint and any person, including the Union or the Board, who might be required to take action or against whom action might be taken in order to resolve the complaint.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems, which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time Limits

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Year-End Grievance

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) days thereafter.

3. Level One - Principal or Immediate Supervisor (Informal)

An employee with a grievance shall first discuss it with his principal or immediate supervisor either directly or with the Union's designated representative with the objective of resolving the matter informally.

4. Level Two - Principal (Formal)

If, as a result of the informal discussion with the principal or immediate supervisor at Level One, a grievance still exists, the aggrieved person may invoke the formal grievance procedure through the Union on the form set forth in Schedule A. The grievance form shall be available from the Union representative in each building and said form shall be signed by the grievant and a representative of the Union. A copy of the grievance form shall be delivered to the appropriate principal or immediate supervisor within twenty-five (25) days of the occurrence giving rise to the grievance. If the grievance involves more than one school building, it may be filed with the superintendent or his designee within such twenty-five (25) day period.

The appropriate principal or immediate supervisor shall indicate his disposition of the grievance in writing within five (5) school days of the presentation of the formal grievance and shall furnish a copy thereof to the Union.

If the aggrieved person or the Union is not satisfied with the disposition of the grievance, or if no disposition has been made within the five (5) school day period, the grievant may appeal the grievance to Level Three within five (5) days of the step two answer.

5. Level Three- Superintendent

The superintendent or his designee shall meet with the aggrieved person and the Union within five (5) school days of receipt of the grievance. Within ten (10) school days of receipt of the grievance, the superintendent or his designee shall indicate his disposition of the grievance in writing and shall furnish a copy thereof to the Union.

6. Level Four - Arbitration

- (a) If the aggrieved person or the Union is not satisfied with the disposition of the grievance by the superintendent or his designee, the Union may submit the grievance to arbitration within five (5) school days of the superintendent's step three answer.
- (b) Within ten (10) school days after written notice to the Board or designee of submission to arbitration, the Board and the Union shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a written request for a list of arbitrators shall be made to the Federal Mediation and Conciliation Services by either party. The list shall consist of five (5) arbitrators and the parties shall determine by lot which party shall have the right to remove the first name from the list. The parties shall alternately strike a name from the list until only one remains. The person whose name remains shall be the arbitrator.
- (c) The arbitrator so selected shall confer with the representatives of the Board and the Union and hold hearings promptly and shall issue his decision not later than fifteen (15) school days from the date of the close of hearings or if oral hearings have been waived,

then from the date the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The decision of the arbitrator shall not add to, subtract from or modify the provisions of this agreement and shall be final and binding on the parties.

- (d) The cost for the services of the arbitrator including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the party in interest. Any other expenses incurred shall be paid by the party incurring same.
- (e) For grievances that occur or are processed during June, July, and August ten (10) school days shall mean ten (10) working days.

D. Rights to Employees to Representation

1. Employee and Union

Any aggrieved person must be present at the informal level of the grievance procedure and at any stage of the grievance procedure may at his/her option be represented and/or accompanied by a representative selected or approved by the Union. When an employee is not represented by the Union, the Union shall have the right to be present at all formal levels as a party of interest and shall have the right to grieve any adjustment of the employee's complaint starting at step one of the grievance procedure if such adjustment is inconsistent or contrary to the provisions of this agreement.

2. Released Time

When a grievance meeting has been scheduled during the working day, said aggrieved person and/or Union representative shall be released without loss of compensation.

E. Miscellaneous

1. Group Grievance

If in the judgment of the Union, a grievance affects a group or class of employees, the Union may submit such grievance in writing to the superintendent directly and the processing of such grievance shall be commenced at Level Two. The Union may process such a grievance through all levels of the grievance procedure.

2. Written Decisions

Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Levels Two and Three of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Union. Decisions rendered at Level Four shall be in accordance with the procedures set forth in the Article on Arbitration.
